NOTES

- (1) The period of 50 years starts from the date of purchase. At the end of the first period there is an option to purchase rights for a further 50 years.
- (2) Stone markers will be inscribed with the name of the deceased, the dates of birth and death and the plot reference number. Any additional wording required will be at the discretion of Acorn Ridge and will attract an additional charge.
- (3) When the second burial takes place, there is an option to extend the exclusive rights to 50 years from the date of that burial. The cost will be based on the number of additional years requested.
- (4) Acorn Ridge will offer a range of appropriate native trees. Trees are planted as close as possible to graves, taking into consideration growing habits. A new planting may not always be possible, in which case an existing memorial tree may be offered. All planting to be carried out by Acorn Ridge only.
- (5) No memorial item of any kind may be installed or erected without the prior approval of Acorn Ridge.
